"The Government of the sovereign state of Bangladesh on behalf of our Great Leader, the Supreme Commander of Bangladesh Sheikh Mujibur Rahman. We hereby proclaim the independence of Bangladesh, and that the government headed by Sheikh Mujibur Rahman has already been formed. It is further proclaimed that Sheikh Mujibur Rahman is the sole leader of the elected representatives of seventy five million people of Bangladesh, and the government headed by him is the only legitimate government of the people of the independent sovereign state of Bangladesh which is legally and constitutionally formed, and is worthy of being recognised by all the governments of the world. I therefore, appeal on behalf of our Great Leader Sheikh Mujibur Rahman to the governments of all the democratic countries of the world, specially the big powers and the neighbouring countries to recognise the legal government of Bangladesh and take effective steps to stop immediately the awful genocide that has been carried on by the army of occupation from Pakistan. To dub out the legally elected representative of the majority of the peoples as secessionist is a crude joke and contradiction to truth which should be fool none "The guiding principle of a new state will be first neutrality, second peace and third friendship to all and enmity to none. May Allah help us. "Joy Bangla".
