List of the war criminals of Pakistani armed forces

Bangladesh government prepared a list of five hundred Pakistani war criminals in 1972. Later it was reduced to two hundred. The following enlisted names are of only those defense personnel's who were taken to *India as prisoners of war. That's why the names of the top most war* criminals like the then President and Chief Marshal Law Administrator Aga Mohammad Yahya Khan, Chief of Staff", Pakistan Army, General Abdul Hamid Khan, then East Pakistan Governor and Marshal Law Administrator Lt. General Tikka Khan, Major General Khadim Hussain Raja, Major General AO Mitha, are not in the list. Major General Rao Farman Ali and Major General Khadim Hussain Raja were in-charge of 'Operation Searchlight' during March 25 crack down in 1971. As they were not in t, Dhaka during the surrender, their names were not mentioned in the lists. The victims or witnesses, who have given us testimony, disclosed names of some high ranking army officials. But most of those names are not mentioned in the list as they were not in Bangladesh during the surrender on December 16,1971. We have found the names of nine officers in the list of 200 war criminals against whom charge sheet were drafted. Charge shuts against the rest are believed to be lost OT were not prepared.
